About Us

The Lighthouse Construction Industry Charity is the only charity that provides emotional, physical and financial wellbeing support to the construction community and their families.

Our mission is to ensure that our construction community can easily access the emotional, physical and financial wellbeing support they need and to develop healthy and sustainable futures for this generation and the next.

Headline Sponsor – AtkinsRéalis

AtkinsRéalis is a world-class engineering services and nuclear company dedicated to engineering a better future for our planet and its people. We create sustainable solutions that connect people, data and technology to transform the world's infrastructure and energy systems.

At AtkinsRéalis, we are proud to support the Lighthouse Charity and the vital work it does for those across the construction industry. Their commitment to mental health, wellbeing and crisis support aligns closely with our values, and we are honoured to stand behind an organisation that provides life-changing help to so many.

We look forward to joining this year's Gala Dinner & Ball, celebrating the industry we care deeply about, and helping raise essential funds for a cause that truly matters.

Proudly supported by SRC Group
